

YUVARAJ SELVARASU

Software Developer | UI / Front-End Specialist

Dubai, UAE | yuvarajselvi27@gmail.com | +91 9080685837 | linkedin.com/in/yuvarajselvarasu | yuvaraj-selvarasu.github.io

PROFESSIONAL SUMMARY

Software Developer with 2.8+ years of experience building responsive, high-performance web applications. Proficient in HTML5, CSS3, JavaScript, React.js, SCSS, Tailwind CSS, and Bootstrap. Experienced in developing scalable SPAs, integrating REST APIs, and delivering pixel-perfect UIs from Figma designs. Familiar with AWS (EC2, S3, CloudFront), Docker, Jenkins, CI/CD pipelines, Prometheus, and Grafana. Certified in Prompt Engineering and React.js. Currently based in Dubai and actively seeking a Software Developer role with a UAE-based organisation.

KEY SKILLS

Front-End: HTML5, CSS3, JavaScript (ES6+), React.js, jQuery, SCSS, Tailwind CSS, Bootstrap, GSAP, Redux

UI/UX & Tools: Figma, Jira, Bitbucket, Responsive Design, Cross-Browser Testing, REST API Integration

Cloud & DevOps: AWS (EC2, S3, CloudFront), Docker, Jenkins, Git, GitHub, CI/CD, Prometheus, Grafana

AI & Productivity: Prompt Engineering, AI-assisted development workflows

PROFESSIONAL EXPERIENCE

BIGMOV | Dubai, UAE

Software Developer | June 2026 – Present

- Building scalable front-end modules with React.js for web products targeting the Dubai and UAE market
- Integrating cloud-based backend services and REST APIs for dynamic data rendering and real-time user workflows
- Implementing Docker-based containerisation and managing deployments on AWS EC2 and S3 environments
- Using Prometheus and Grafana to monitor application health and track key performance metrics
- Applying prompt engineering to accelerate development tasks, code reviews, and sprint delivery
- Contributing to product architecture decisions and cross-functional agile sprint planning

HANDLE TECH LABS | India

Jr. Software Developer | November 2024 – May 2026

- Developed and maintained front-end modules for JeetMatch Affiliate and Zrai AI Dashboard platforms
- Built reusable React components and integrated REST APIs for dynamic data rendering and user workflows
- Implemented SCSS architecture for scalable, maintainable styling across multiple product dashboards
- Collaborated with backend teams using Jira and Bitbucket for sprint-based agile delivery
- Worked on CI/CD pipelines with Jenkins and contributed to improving deployment workflows

SAMARG CONSULTING PVT LTD | India

UI Developer | December 2022 – May 2024

- Converted Figma UX designs into responsive, accessible user interfaces using HTML5, CSS3, JavaScript, and jQuery
- Built responsive landing pages for WinClash, PayKaro, and RoyalJeet with focus on mobile-first performance
- Ensured cross-browser compatibility and delivered customised UI components to meet client specifications
- Managed Git branch workflows and assisted with staging and production deployments

PROJECTS

01. Zrai AI Platform | *React.js · SCSS · JavaScript · REST API*

AI-powered business platform featuring interactive dashboards, workflow automation, and real-time data insights. Built reusable React components and integrated multiple REST APIs for live data rendering. Implemented SCSS-based design system for consistent UI across the platform.

Live: development.dashboard.zrika.com/dashboard

02. JeetMatch Affiliate Platform | *HTML · SCSS · JavaScript*

Web platform for gaming and affiliate marketing with intuitive navigation, real-time engagement features, and performance-optimised front-end. Delivered clean, scalable SCSS architecture and cross-device responsive layouts.

Live: hbm-st.testingserver2.com

03. WinClash — Online Gaming Platform | *HTML · CSS · JavaScript*

Responsive online gaming platform with interactive UI, smooth transitions, and engaging visuals. Focused on mobile responsiveness, fast load times, and seamless user experience across devices.

Live: winclash.com

04. PlayKaro — Gaming Web App | *HTML · CSS · JavaScript*

Interactive web-based gaming platform with modern design and dynamic gameplay interactions. Delivered optimised front-end performance and fluid UX with clean, maintainable code.

Live: playkaro365.com

EDUCATION

Master of Computer Applications (MCA)

Sri Venkateswara College of Engineering and Technology, Anna University | 2020 – 2022

Bachelor of Computer Applications (BCA)

Shanmuga Industries Arts and Science College, Thiruvalluvar University | 2017 – 2020

CERTIFICATIONS

- AWS Certified Cloud Practitioner – Besent Technology Training Center
- DevOps Fundamentals Certification – Besent Technology Training Center
- Prompt Engineering for Developers – Udemy
